Puget Sound requires a total of $\mathbf{3 2}$ units to graduate.

## NOTES:

A minimum grade of $\mathbf{C}$ must be earned in all courses for the major.

1) CHEM 110,120 and 231 or CHEM 115 and 230.
2) Either CHEM 110 and 120 or 115 and 230 serve as prerequisites for CHEM 250 . Biochemistry majors who take the 110/120 sequence will also need to take 231. Students enrolling in CHEM 231 may have up to 4.5 academic units without incurring additional tuition fees.
3) CHEM 330 is offered in fall, while 341 and 420 are offered in spring.
4) BIOL 361 may not be used to satisfy this requirement.
5) Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement.
Upper-level Biology courses that are not used for the Biochemistry major will count as upper division courses outside the major.
