NOTES:

- *BIOE/REL 292 or BIOE/PHIL 292 may be taken either fall or spring semesters and may be taken as early as first semester freshman year. This course is generally offered every semester and may be taken through junior year, although it is the basic gateway course to the Bioethics program.
- 1) This course can satisfy the Natural Scientific Core requirement.
- 2) Three elective units at the 200-level or above drawn from at least two of the three elective categories: Scientific, Ethical, and Humanities & Social Sciences. See Bulletin for elective options.
- 3) Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement.
