## Fall Semester Classes

Spring Semester Classes

Freshman	Units	Units	
SSI 1	1	SSI 2	1
Approaches core	1	Approaches core	1
Approaches core or Elective	1	Approaches core or Elective	1
FL (if needed) or Elective	1	FL (if needed) or Elective	1

Sophomore	Units		Units
ENVR 101	1	ENVR 201	1
Approaches core or Elective	1	ENVR 202 <sup>1</sup> and/or ENVR 203	0.5-1
Primary major class or Elective	1	Primary major class or Elective	1
Primary major class or Elective	1	Primary major class or Elective	1

Junior	Units		Units
Primary major class	1	Primary major class or Elective	1
Primary major class or Elective	1	Primary major class or Elective	1
Primary major class or Elective	1	Primary major class or Elective	1
EPDM Policy or EPDM General Elective	1	EPDM Policy or EPDM General Elective	1

Senior	Units		Units
ENVR 400 Senior Seminar	1	CN core <sup>2</sup>	1
EPDM General Elective	1	EPDM General Elective	1
Primary major class or Elective	1	Primary major class or Elective	1
Primary major class or Elective	1	Primary major class or Elective	1

Puget Sound requires a total of 32 units to graduate

### **NOTES:**

- 1) ENVR 202 (0.5 unit) or one of the following courses (1.0 unit): BIOL 111, 112; CHEM 110, 115; GEOL 101, 104, 110; PHYS 121, 122. If you are a non-science major with EPDM as an overlay major, you must take both ENVR 202 and 203 concurrently in the spring. If you are a science major with EPDM as an overlay major, you just need to take ENVR 203. ENVR 202/203 are offered in spring only.
- 2) Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement.

A maximum of two courses used to meet the EPDM requirements major may also be used to satisfy the core curriculum, the requirements for another major, or the requirements of a minor.

The EPDM major is a secondary major that can be chosen only after a primary major in another field is chosen. A major in EPDM cannot be completed unless a primary major in another department or program is also completed.

SSI1= Seminar in Scholarly Inquiry1 MA= Mathematical Approaches
SSI2= Seminar in Scholarly Inquiry2 NS= Natural Scientific Approaches
AR= Artistic Approaches SL= Social Scientific Approaches
HM= Humanistic Approaches CN= Connections

FL= Foreign Language
Foreign Language Requirement (circle one)

- 1) Two semesters at 101/102 level or One semester at 200+ level
- Proficiency exam (3rd year high school level or 1st year college level)
- 3) AP foreign language score of 4 or 5
- 4) IB higher level foreign language score of 5, 6, or 7

#### **Upper Division Level Requirement**

Three units at the upper division level outside the first major.

#### KNOWledge, Identity, and Power Requirement

One course. See Bulletin for details. Courses may also fulfill other program or graduation requirements.

# THIS FORM IS NOT AN OFFICIAL GRADUATION ANALYSIS

Experiential education requirement\*\*\*\*

#### **NOTES**

The EPDM major is a secondary major that can be chosen only after a primary major in another field is chosen. A major in EPDM cannot be completed unless a primary major in another department or program is also completed.

- 1) Six requirements for the Environmental Policy and Decision Making major must be completed in residence, including ENVR 101, 201, 202\*/203, 400, and the policy elective. \*Or one of the following: BIOL 111, 112; CHEM 110, 115; GEOL 101, 104, 110; PHYS 121, 122. Non-science majors must take both ENVR 202 and 203. Science majors need only take ENVR 203. At least one policy elective MUST be completed BEFORE taking ENVR 400, which is only offered in the fall semester.
- 2) \*\*Choose one of the following: CONN 410; ECON 225; ECON/ENVR 327; ENVR 310, 322, 328; ENVR/PG 326, 382; IPE 331; PG 305, 309. For minors, ENVR 201 can count as a policy elective.
- \*\*\*Choose three electives from the lists of policy or general electives. See bulletin for list of courses.
- #At least two of the courses used to fulfill the electives for the EPDM major must be outside of the student's primary major department or program.
- \*\*\*\*Completion of an experiential education requirement, to be approved by the program (refer questions to the Program Director). Examples of experiential education include, but are not limited to: study abroad, the field school in conservation development (e.g. ENVR 324), a summer research experience, an environmentally related internship, and the Food Systems Northwest summer course (ENVR 360).

Majors may satisfy no more than two University core requirements or another major or minor requirements from EPDM offerings.
