Travel Signature  
I-Connect Program

**USCIS Corner—Travel Signature**

For those of you that have come in for a travel signature, I've been able to update you on the upcoming I-94 automation process. Starting this summer, you will no longer receive a paper I-94 card when entering the U.S. You will instead receive an electronic I-94, retrievable here: [www.cbp.gov/i-94](http://www.cbp.gov/i-94) (this link will be live this summer). Customs and Border Protection (CBP) will still provide you with an admission stamp in your passport, and this stamp should indicate your non-immigrant classification type (F-1, D/S). Let Allyson know if you have any questions!

**I-Connect Program**

The I-Connect Program, formerly known as ISM, is excited to work with our two new mentors, Vivien Jones and Riley Luvaas, next year. Dongni Wang will be the program coordinator, working closely with Allyson and others. We are looking forward to welcoming the new mentors and coordinator and making the program better together with International Club and other clubs on campus!

Many thanks to our mentors this academic year 2012-2013! With your help, the program was able to continue and build our support network for the international community on campus.

Abby Matson, Andrea Nable, Uyen Nguyen, Brenda Orellana, Tommy Stone, and Dongni Wang, and Talitha Wilson.
