**Puget Sound requires a total of 32 units to graduate.**

#### **NOTES:**

- 1) Electives taken to fulfill the NRSC Emphasis requirements may also count toward the university upper division course requirement. At least two electives should be outside the student's major. Selection of elective courses should be made in consultation with a neuroscience advisor.
- 2) Credit earned through Internship/Research does not count toward the NRSC emphasis, but may count toward a student's major or university requirements. Internship/Research may also be completed during the summer between junior and senior years.

\* Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement.
