International Programs

University of Puget Sound

Greetings from Allyson & Dongni

Hi everyone,

Happy November! Halloween, Day of the Dead, Thanksgiving — November is truly full of holidays. Thanksgiving feast, Black Friday sales... Puget Sound also looks lovely when covered in layers and layers of fallen leaves. All the great things are coming up in November!

For those of you who are going back home, we wish you a safe trip and happy holiday. For those of you who are going to stay on campus, we hope you rest well before coming back for finals, and don't forget to give your family a call :) Thank you all for supporting our program and International Students Newsletter. Travel Outside the U.S

Thanksgiving is just around the corner — Do you have any travel plans outside the U.S?

If you do, please take a minute to check your I-20 to make sure the travel signature will still be valid upon re-entry (signed by Allyson within the last 12 months). In order to reenter the U.S., you must have a valid passport, F-1 student visa, and I-20.

If there is anything unclear, please drop by our office or email [us!](#)
