NOTES:

Puget Sound requires a total of 32 units to graduate.

- 1) These major requirements may be used to fulfill university core requirements. Majors may satisfy no more than two University requirements from Sociology and Anthropology offerings.
- 2) MATH 160 strongly recommended
- 3) These courses (SOAN 295 or 296, 298, 299, and 301) <u>must</u> be taken before taking Senior Thesis (SOAN 490). It is particularly important for students planning to study abroad to be certain that these courses, be completed before enrolling in SOAN 490.
- 4) Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement.

*Ideally, SOAN 299 could and should be taken in the sophomore year before potential study abroad. SOAN 298 does not have to be completed prior to taking SOAN 299. Speak with your SOAN advisor or the department chair for further advising.
