NOTES:

- 1) The Theatre Arts Major Elective Requirement must be a THTR course (3rd acting course, THTR 306 Playwriting, THTR Seminar course, Independent Study, etc.), MUS 220, or a course approved by the THTR faculty chair (courses vary and include some semester abroad classes). Recommended optional electives outside the major include: Art and/or Art History classes; courses about theater taught through English, Classics, or Foreign Languages; film/TV history and theory classes taught in Communication Studies; and voice classes taught through Music.
- 2) THTR 371 and 373 may be taken at any point after taking a World Theatre class (THTR 250, 252, 254, or 256). The junior year is recommended, but the courses may be taken in the sophomore or senior years.
- 3) Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement.

Theatre Arts strongly encourages students to take 4 Activity courses, in particular THTR 291 Production Credit in at least 2 semesters. Other Activity courses useful for Theatre majors/minors include Tai Chi, Yoga, and dance classes taught through Physical Education.
